Dear Mr. Garbaez:

This letter is to acknowledge, with sincere appreciation, your donation of the services rendered to Marian Central Catholic High School. Your name will be acknowledged in the Annual Report.

For tax purposes, the Internal Revenue Service wants the Contributor, not the school, to place the fair market value on the items contributed.

On behalf of the entire Marian community, thank you. Without the generosity of your donation, and that of others, we would not be able to provide such outstanding educational experiences for all of our students.

Sincerely,

*Thankst!*
